Vendors are selected from four primary building product categories: Commodities, Specialties, Millwork, and Kitchen & Bath, and are evaluated based on key performance metrics, including sales growth, gross margin improvement, customer support, and product quality.

“These companies exemplify what it means to be a true partner,” said Tom Molloy, Executive Vice President of LBM Advantage. “Their dedication to our members, combined with consistent execution and innovation, continues to strengthen our cooperative and the value we deliver across our network.”
